Euronext Oslo Børs and Academy

Euronext Oslo Børs offers the only regulated markets for securities trading in Norway today and is world-leading in the energy, shipping and seafood sectors. Oslo Børs joined the Euronext Group in June 2019.

As part of Euronext, companies listed on Euronext Oslo Børs now meet a larger investor audience, which means increased access to capital, liquidity and interest. More investors are also meeting through our efficient and secure trading platform, where our unique Single Order Book allows around 180 brokers to trade, clear and settle in a uniform way.

Academy, the training centre of Euronext Group, turns **capital markets expertise** into world-class training courses and programmes.

Our programmes reflect the evolution and trends of **financial markets and their eco-systems**.

Key assets of our learning centre are our centrality in capital markets, and our **internal and external faculty**, whose contributors are drawn from practitioners, academics, advisors and financial market specialists.

As a financial market infrastructure, being at the centre of capital markets, we understand not just what is happening now, but also what's changing - so we can design our courses to equip attendees with the necessary skills for the world of today and tomorrow.

Programme overview, take-aways and target

Overview and take-aways

Listed companies and shareholders often see the process of going public as an end goal rather than a starting point. Instead, their journey starts indeed on their IPO day.

With the aim to support issuers throughout their life as public companies, Academy – Euronext Group, in collaboration with Euronext Oslo Børs, have designed a training that covers the main obligations under the Market Abuse Regulation, key disclosure rules and procedures regarding unlawful disclosure, insider trading and market manipulation.

The course will provide delegates with an overview of:

- The key principles of the Market Abuse Regulation in Norway
- Assessment of inside information and routines for delayed disclosure
- The prohibition against market abuse – unlawful disclosure, insider trading and market manipulation
- Primary insiders – legal responsibilities and closed periods
- Contact with supervisory authorities and related sanctions

Target Audience

This training programme is relevant and addressed to all issuers admitted to trading on Euronext Oslo Børs, Euronext Expand and Euronext Growth Oslo, and particularly to:

- Legal and compliance departments
- IR departments
- Board members and C-suites

Faculty

Cecilie Bøe is a Managing Associate at the law firm BAHR, with expertise in equity capital markets transactions, including IPOs and capital raises. She regularly advises public companies and their executive management and board members on equity capital market matters and securities regulation. Cecilie also has experience from Oslo Børs where she worked at the Listing department.

Course structure and logistics

This year, the training programme will be held in **Norwegian** on **11 June 2026**.

The course will be held in-person at **Advokatfirmaet BAHR offices** (**Oslo**).

E-learning Tools

The handouts and course material will be provided to the delegates in pdf format after the course. The attendees will also receive a Certificate of Attendance to the course in digital format and as a LinkedIn certificate.
